Todd,

When we meet tomorrow, it would be helpful to be able to get a copy of MPH 1990 report. Also, you mentioned that the assay results from the Red and Bonita were in and that we could get that report.

Thanks,

Todd - we can meet at the BLM office on Youngsfield at 0800 tomorrow for couple hours as needed.

Let me know if that still works for you.

Todd,

Let's find a time tomorrow or Thursday to discuss the path forward on this. Today might work, but I have a few meetings between now and 3. Let me know what times are good for you.
